“ *Adam was my manager at my first job at Little Caesars. He pushed me to do my best at all times. He was definitely about business but knew how to lighten the mood. Adam was such a great father. My thoughts are with his family during this difficult time. May he rest in eternal peace.*

“ Adam was a great friend and a great manger. He always pushed us to be our best while also being able to crack a joke. I will always remember my first day at Taco Bell, it was only 4 of us and best believe he got us through. I will always appreciate what Adam did for me and what an amazing friend he really was. May he rest in peace.
