

Axton Nolan Beltran

February 26, 2026 - May 12, 2026

With broken heart and endless love, we announce the passing of our precious baby boy who was called home far too soon at just 2 months old. Though his time on earth was short, the love he brought into our lives will last forever.

From the moment he entered this world, he filled the hearts of his family with pure joy, warmth, and unconditional love. His tiny hands, sweet smile, and innocent spirit created memories that will be treasured forever. In his short life, he showed us a love deeper than words could ever describe.

He was a cherished son, a precious brother, a deeply loved grandson, nephew and cousin. He was surrounded every day by family who adored him and will continue to carry him in their hearts forever.

Though we did not get nearly enough time with him, we are thankful for every moment, every cuddle, every smile, and every memory shared. His life, no matter how brief, made a lasting impact on everyone who knew and loved him.

Our sweet baby boy may no longer be in our arms, but he will forever live in our hearts. Until we meet again, you will always be loved, always be missed, and never forgotten.
