

## Brian Miller Pfister

February 27, 1959 - November 12, 2025

It is with heavy hearts that we announce the passing of Brian Pfister, who left this world on November 12, 2025, at the age of 66. Born on February 27, 1959, in Tulsa, OK, Brian's adventurous spirit gained roots as he moved around with his father's job during his childhood, finally graduating from high school in sunny Pasadena, CA.

Brian was a man of many passions. His love for music was evident throughout his life; he could often be found strumming on his guitar or jamming with his bandmates on the bass guitar. Music wasn't just a hobby for Brian; it was a way of life. His talent and enthusiasm for the arts brought joy to all who had the pleasure of hearing him play.

For many years, he worked as an insurance agent, building a reputation as a reliable and friendly advisor in his community. But those who knew him best knew that the most cherished memories were made during family trips, where laughter and love filled the air. Brian had a fun

personality that made him the life of any gathering, and everyone who crossed his path loved him for it.

In 1986, Brian married his soulmate, Corky Thomas. Their love story was an inspiration to all, built on mutual respect and endless joy. Alongside his beloved motorcycle, he embraced life with a sense of adventure and a twinkle in his eye.

He is survived by his wife, Corky Pfister of Amarillo; daughter, Emilea White and husband, Waylon of Amarillo; 3 sons, Brett Pfister and wife Ariel of Amarillo, Kevin Pfister of Key West, FL and Cody Pfister and wife, Christy of Amarillo; 2 brothers, Blake Pfister and wife Leann of San Juan, CA and Barry Pfister of Amarillo and 7 grandchildren, left to cherish his memory.

Brian was preceded in death by his parents, Larry and Susan Pfister.

“ *You and Corliss took me in like I was part of your family from day 1. I have so many memories of you and that I will cherish. I remember us all going camping and ya sitting up your tent with couch and the kitchen you sat up was the best. That was one of the best weekends. We fished rode jet skis and I think ya had a boat as well. You were the best DJ and I loved going and watching you play. Many of night at ya house playing cards and playing drinking games and sitting in the hottub. I promise I will watch over Corliss like never before. I love you brother
