

Charlie Patton

January 6, 1992 - May 3, 2025

It is with heavy hearts that we announce the passing of Charles "Charlie" Patton, who left us on May 3, 2025, at the young age of 33. Born on January 6, 1992, in Amarillo, Texas, Charles brought an infectious joy and warmth to everyone who knew him.

A true gamer at heart, Charlie loved to spend his free time conquering the latest challenges on his PlayStation. His favorite color was green, a reflection of his vibrant personality. He was also a lifelong fan of WWE wrestling, often gathering with friends to watch the latest matches and cheer on his favorite wrestlers. Charlie had a special place in his heart for animals and dinosaurs, often sharing fun facts and his love for both with anyone who would listen.

For over 13 years, Charlie worked at United Supermarket, where he became a valued member of the team and made countless friends. He is survived by his loving father, Charlie Patton, his sister Angela Bailey, three uncles, an aunt, and a wide circle of friends who will miss his presence dearly.

Rest in peace, Charlie. Your spirit will live on through the countless lives you touched.

“ He's literally your favorite person. He always had a smile. He always asked me to pray for his family but never for himself. He will be truly missed. God has His smiling angel home now.

“ Charlie was always ready with a smile on his face, a friendly greeting ("Hello, my friend!"), and a fist bump or a wave. He had such positivity about him, something that is so rare. I'm going to miss seeing him around during my shopping trips. My deepest condolences to his family.

“ Oh my CharlieBear, you will be missed so much. I will miss fixing your lunch at the deli and you telling me 'No bread, I only have bread with Peanut Butter & Jelly, the way my mom fixed it'. My heart is broken, but the Lord only takes the good ones and you, my dearest, were one of the Great ones. Prayers to PapaBear and all the family and friends. Rejoice with the Lord my Angel. Forever your biggest fan. Mary G. Loe

“ My heart is broken by this news, such a noble and pure soul of God, I still can't believe it, my husband, my 6 year old daughter and I adored him, he was a sweetheart, he always welcomed us and said goodbye with a smile and his phrases "I felt never better my friend" or we also liked to ask him what his hobby was and he would tell us "I am a gamer my friend" 😊 my trips to the supermarket will never be the same without his presence, my girl adored him and hugged him and they said goodbye very happy! My condolences to his family, may he rest in peace, dear Charlie 🙏🕊️🙏

“ I had the incredible privilege of being one of Charlie’s coworkers. I’ve been at United for almost three years now and it definitely won’t be the same without him. He was a great coworker and an even better friend. From the moment I joined the team he always let me know how welcome I was, how great I was doing and told me I was like a sister to him. He was so helpful to me and I enjoyed our conversations about animals and movies so much. I will miss them and I will miss him. I have a couple stuffed animals that he gave me and I will keep them close to me forever. He was truly one of the best, it’s not every day that you meet someone as kind and caring as him. He was always saying how much he loved his job and how proud he was of it and I admired that. I am proud of him for always working so hard and although his life ended too soon, it was truly a life worth living and I know he is Heaven with Jesus still saying “hello my friend” to everyone he meets up there just like he did here on Earth. I will miss you so much Charlie, thank you for everything. Rest in peace and love my amazing friend. ❤️❤️❤️□□□

“ *What a blessing to always see Charlie's smiling face and his signature "Hello, my friend" followed with his fist bump. I think we can all say, he was the community son to all of us. I will miss his stories about his niece, I would change her name just to see him laugh and correct me.*

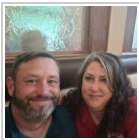

Charlie, you left an amazing impact on each and every person you crossed paths with. That was God's plan when he sent you down from heaven. You've completed your amazing job here. You brought love and light wherever you went. I will miss you, but know you will always be in my heart.

Charlie has talked to me about his "niece" her name was Choliope when she was born he asked me to do him a favor I said sure Charlie what is it. His kind heart was so worried about her and asked would I pray for her. Ten next time he let me know she was doing better. He was so proud of her. I'm sure her beautiful name is spelled wrong. We talked often of her. "Never Better my Friend" gosh I just give him a fist bump the day before whatever happened to his loving soul. You will be greatly missed My friend. Till we meet again.
