“ I will always have memories of us growing up. Fighting over Mask vehicles, He-man, and Boulder Hill. Playing in the snow on snow day out at Highland Park. Chemistry class with Mr. Gill. Listening to a certain tape quietly in your room so we wouldn't be found out. Looking at magazines you found in the alley (haha). And then there's all the Christmases that we sat next to each other opening gifts and getting just the opposite of what we wanted. I know we grew apart in our older years. And for that, I'm sorry. Our lives took different paths that made us further apart. I've always loved ya, and will miss you. I hope Lisa was there waiting for you. Love you cuz.
