“ I met Cindy when I became friends with her sister Tammy. We used to have a Blast playing Millborne, and Yatzee when I would spend the night! I never laughed so hard while they played all their 45s of the Jackson five, the Osmonds, and other 70 hits!! She also helped me get jobs at Burger King and K-mart., These are happy memories from our childhood which I will always cherish. I know she met Jesus as her savior when in High School. So, I know I will see her again one day
