

Dallas Hickam

February 11, 1998 - May 11, 2026

We're sad to share that our friend, Dallas Hickam, left this world on May 7, 2026. Born on February 11, 1998, in Amarillo, Dallas brought a unique spark to every room he entered.

Dallas was a true music lover, always jamming out to his favorite tunes. His passion for life showed through his tattoos, each one telling a story that made him who he was. Whether he was cruising in a car or tearing up the roads on his motorcycle, he loved the freedom of the open road. Dallas also had a soft spot for guns, often appreciating them for their craftsmanship and history.

He is survived by his father, David Hickam and husband Dalton Landes and mother, Amanda Harvey and husband T.J.; brothers, Tyler Hickam and Hayden Culpepper; grandmothers, Brenda Hickam and Cathy Bledsoe and many aunts, uncles and cousins left to cherish his memory.

Dallas was preceded in death by his grandfathers, Johnny Passmore, Gary Hickam and Okie Bledsoe.
