“ *Charlita was my dearest friend and the one I had known the longest. We lived across the street from one another in Pleasant Valley. I have so many wonderful memories of her...she loved animals of every kind and had many as pets over the years. We remained friends even after she moved to Colorado for a few years and have remained friends to this day. She loved life and loved the Lord. She was so proud of her son Dallas and she loved those grandkids with a passion. I will miss her sweet spirit and her wonderful sense of humor. To Dallas and his family and to the Bynum family I am so sorry for your loss...my prayers and love are with you all. Rest in peace my sweet friend...I love you and will see you again.*
