

Donald Eugene Storm

January 19, 1957 - September 28, 2025

It is with heavy hearts that we announce the passing of Donald Storm, a beloved husband, father, grandfather, and friend. Donald was born on January 19, 1957, in Greeley, Colorado, to Walter and Bernita Storm. He moved to Treynor, Iowa, as a child and proudly graduated from Treynor High School.

After attending South West Community College and earning his Bachelor's Degree, Donald married Evelyn Little on December 13, 1986. Together, they created a loving home filled with laughter, love, and a shared passion for family. Donald was a die-hard Dallas Cowboys fan and often shared his enthusiasm with friends and family, eager to relive those thrilling game-day moments.

Professionally, Donald worked as a sous chef at Amarillo Country Club for many years, where his culinary skills truly shone. He also owned and operated his own trucking business, showcasing his hardworking spirit and determination. An avid lover of woodworking and leatherworking, Donald spent many hours creating beautiful pieces that showcased his talent and creativity.

His faith played a huge role in his life, as he cherished his time at Pavillard Baptist Church, where he made lasting connections and friendships within the community. Above all, Donald adored his grandchildren and great-

“ Donald was an amazing man, he taught me a few life lessons after I married his daughter. He was a family man who loved his children and grandchildren with a fire I rarely see in mortal men. He will be sorely missed, but I know he is with his father in heaven. We love you Don, fly high with the Angels brother.

“ I had the privilege of not only being his nephew but also a friend. When I was in my late teens I moved down to Texas to be closer to family. I have so many amazing memories from then. I would like to tell everyone the most important thing that My Uncle Don taught me. Blood is not thicker than water. Behind every good man stands a even more amazing woman. I know this to be true because I'm getting to celebrate my 30th anniversary with the most amazing, caring, loving but most importantly patient woman. Now, I know my Aunt Evelyn was all that to my Uncle. He loved her and her children as if they were his own. Remember your last name is just a name but family is what we sacrifice for. Enduring life and raising kids kept me away but you were always in my heart and thought of often. I love you and you will be missed

“ As a young man in high school with my first car I was pretty disappointed when it broke down and wouldn't start. The worst part, it was in the middle of winter. I remember it being exceptionally cold that year. My father Glen Storm and I lived in the house on Sanborn and he wasn't well at the time. Uncle Don showed up for me. He helped me troubleshoot my car and we had to replace the rotor in the distributor cap. Uncle Don and Aunt Evelyn showed up for me several times when I really needed someone, I am forever grateful and I will not forget.

Love you, Uncle Don
