

Dustin Dale Johnson

September 2, 1984 - March 22, 2026

It is with deep sadness that we announce the passing of Dustin Johnson, who left us too soon on March 22, 2026. Born on September 2, 1984, Dustin was a free spirit who loved life and embraced every moment outdoors, whether he was hiking in the mountains, chilling by the riverside, or even taking a plunge in the ice-cold waters. He had a deep passion for the oilfield and spent many rewarding years in that industry.

Dustin is survived by his loving mother, Sandra Johnson, and his sister, Crickett Johnson. He will also be missed dearly by his three beloved dogs, Zolar, Zeppelin, and Davia. Dustin was a true friend to many, considering them not just buddies, but brothers and sisters he cherished dearly.

He is preceded in death by his father, Bobby Dale Johnson; grandfathers, CB Smart and Dale Johnson; grandmothers, Arleta Smart and Joann Wagoner; his brother, Jason Smart; and his cousin, LB Johnson.

Dustin graduated from Randall High School and carried the warmth of his friendships and experiences throughout his life. His adventurous spirit and love for the great outdoors will always be remembered.

Rest in peace, Dustin. You'll be missed but never forgotten.

“ Oh man, I knew Dustin back in middle school when he lived at the apartments next to me and we would walk home from school together and his dad worked a lot so Dustin was at my house a lot and my mom would always cook for him. I remember one time Dustin called about five in the morning asking if it was time to go to school cause we would take him in cricket to school and he was like well. I'm dressed and ready to go. I'm just gonna come over cause I need to eat breakfast and need to wake me up at 6:37 to get me up. Lol.! and at his football games, he had asthma real bad so when me and Mom would go and watch him play and he had a hard time breathing, he was pulled out on the sideline and my mom would give him her inhaler.❤️ Dustin was extremely athletic and good at everything he did and never gave up.Dustin was always fun, outgoing troublemaker, but me and my mom had a lot of love for him and his sister. When he moved to boys Ranch after his dad's motorcycle wreck, I'll lost contact with Dustin for pretty much the rest of my entire life and now I'm reading about what happened and it's tragic, but you always had a place in my heart. My mom and I give condolences to his family. We loved you Dustin rest in peace.

“ I will miss you so much Dustin. He would call me his little sister because we have the same last name. He would have problems at times in his life and would talk to me about it. I use to tease him because I said bro I'm going to start charging you for my services. ☐. I'm going to miss all the videos he would send me and the phone calls. I miss you brother. Go on and rest now. I love you 🙏🙏🙏🙏

“ I've been friends with Dustin since we were very young he's always been a good friend to me. I've cried on his shoulder many a times while he has been a great support in my life. He's a good friend and his personality bursts with amazingness. He always takes care of the people he loves. I remember going to high school with him, I remember how he put his huge Yeti cooler, that was way oversizing and not needed to floating the Yampa River on my paddleboards in Colorado. Lol We loved golfing together we like hanging out recently he was a one-eyed pirate but I love you and may you rest in peace my friend I'm going to miss this season of golf.
