

Jana Rene "Terry" Brewster

December 22, 1958 - November 11, 2023

Jana died Saturday November 11th 2023. Jana was born in Decatur, Texas on December 22, 1958 her mom called her "her Christmas baby" she brought her home and laid her under the Christmas tree like the precious gift she was. She had many friends growing up who loved her bubbly personality, her kind heart, and overall energy. She would marry Robert Brewster and build her life as a mother and hair stylist, she owned and ran the style shop at the Petro truck stop for twenty plus years through her dedication and hard work. Anyone who knew Jana knew that she was the best kind of person to have around when you wanted to have fun, she was always ready for a good time, or if you were down Jana would use her kind heart to do anything she could to cheer you up. She lived to be 64, just shy of her 65 birthday on December 22. She is survived by her mother, Janet Wright; her two sisters, Jacki Quinto, Julie Brown, and her brother, Jerry Terry along with their families. Her eldest daughter Brooke Rodgers, her husband Dean Rodgers, their children Levi and his fiancé Haley, Keegan and Kinsley. Her son Julian Blayne Brewster and his wife Taylor Brewster and their children Jackson, and Sophia. Her youngest daughter Blaire Brewster and her dog Maggy who was a furry grandchild to Jana but a grandchild none the less. Her own dog Peanut and her best friend Ron Kahler. We will not be having a funeral service for Jana she wanted a celebration in the park to memorialize her, the family has decided to wait until spring for this service the pending date is May 25th, 2024 at Thompson Memorial Park. The family will create a Facebook invite closer to the date and

time and invite people but anyone is welcome to come and show Jana some love.

Thank you and remember she would want to be remembered for her quirky fun loving personality!

I never got to meet this fabulous lady but I have the pleasure of being friends with her daughter Blaire. If she wanted to be remembered by being quirky it certainly lives on through her daughter. I can only imagine that this woman taught her daughter to be confident, amazing, unique individuals. She will definitely not be forgotten!
