“ Life as it comes.... It will go.
When will it come.....For no one ever knows.
Forgive what you did...Forgive what ever bad you've done.
I pray to the Lord... thy will be done.
May this grant you safe passage...into thy heaven.
If there is such a place "seven...eleven "...
How ever it goes...How ever it is.
I pray 🙏 you're in a place... Better than this.
With your loved one's... given a hug & a kiss.
Forgiven of sin.... Like if we were... a baby again.

“ Grew up with Jerald, he was always making everyone laugh doing silly things being a class clown. He would always tell the story how he almost was in the Sandlot movie. RIP bro glad we crossed paths and stayed in touch all these years.
