Jerry came to work in the oilfield under our dad, Howard Stumpf. Our family took him in and he ended up being part of our family for many years. Rest peacefully, Jerry!

Jerry was a very special man to me. He came to Wyoming when I was a young girl and celebrated many holidays and special occasions with our family( the Stumpf Family). Jerry called me every year to check on me and I will miss him very much. My deepest sympathy goes out to his family.
