“ I've posted numerous stories about him but here is another one. When Jevon was 3 or 4 he learned to use the word "Psych!"..that Thanksgiving we were all gathering at Uncle Jay and Aunt Vicki's house. It was our cousin Chareesa's first time meeting Jevon. Jevon had a bag of chips and walked up to Charessa..nevermind he had never met her..and asked her if she would like a chip. Charessa was almost to the bag with her hand and Jevon pulled it back and said "psych!!!". The absolute laughter we had the rest of that night will forever be remembered
