“ *Bena was and will always be loved and missed. He was always a part of our life. We loved when he worked with Scott and Albert. Some of the bucket challenges. I remember him and Albert early in the morning doing the challenge. The laughter he brought to our life is a memory we will always cherish. The smile in our pictures when he played basketball 🏀. He will forever be remembered and missed. We love 💕 him and our hearts break for you. May God comfort you and your family in this difficult time. Scott, Charlotte and Albert*
