

## Joyce Morgan

December 16, 1946 - February 16, 2026

It is with great sadness that we announce the passing of Joyce Morgan, who left us peacefully on February 16, 2026, at the age of 79. Joyce was born on December 16, 1946, in Socorro, NM, to Delmer and Wynona Davis, raised with 8 sisters and 3 brothers. She moved to Clovis, NM, as a child and proudly graduated from Clovis High School in 1964.

Joyce found her soulmate in Philip Morgan, and they tied the knot on Valentine's Day 43 years ago. Together, they built a beautiful life, starting in Clovis before moving to Hillsboro, TX, for over seven years, and eventually settling in Amarillo, TX.

Throughout her life, Joyce took on various jobs, showcasing her resilience and work ethic. From customer service to waitressing and even driving a bus, she did it all with a smile. She had a zest for life that shone brightly, especially when it came to her love of country music and dancing during her younger days. In later years, you could often find her sipping coffee and playing games on her phone, relishing those quiet moments.

Joyce leaves behind her loving husband, Philip Morgan of Amarillo; her children, Allan Martin and wife Dori of Nadine, NM, Charmin Skaggs and husband Phil of Jal, NM and Cody Martin and wife Miki of Amarillo; 9 grandchildren, Matthew Martin, Morgan Davis, Cheyenne Martin, Lark

Townsend, Dakota Davis, Austin Martin, Faith Martin, Lance Martin and Tristan Martin as well as 9 great grandchildren and one on the way.

She was preceded in death by her parents and her son, Michael Martin.

“ Sis, we had so many good times together! Played so many UNO and other card games! I'm going to miss you so much! I don't know how I am going to make it without you, because you were always there for me through the good and bad! I will be taking it one day at a time and I'll know you are looking down on all of us!

*RIP: Joyce Morgan*

“ To my mother Joyce Morgan she's who gave me my first breath she gave me life she was light in my life she always knew when her kids was in the room her smile would brighten up the darkest hallway she loved her kids more than her own life she wasnt just a mother she was the superglue that held the family together. When she became a grandma for the first time there was nothing you could do to take away that light in her eyes or the smile she had on her face that glowed from ear to ear she loved all 9 of her grandchildren plus her 9 and one on the way great grandchildren my mother will be missed by all but more by her only daughter Charmin Skaggs.
