“ She was the most amazing woman! Oh how she loved me and my children. They were so sad when I told them of her passing. She was so key to my healing back in 2009. She also helped to remember how to spell at WED KNEES DAY (Wednesday), LOL!! I have missed her since she moved, and I will continue to miss her until I see her in Glory! I'm happy that she is full, whole and healed. I'm happy that she is with Jesus, Jerry and everyone she loved that is in Heaven. Rest in peace my beautiful and lovely friend! See you later! I will love and miss you forever!!
