Kimberly Gaye Welsh, 56, of Amarillo, Texas, passed away peacefully on December 10, 2025, at home. She was born on July 7, 1969, in Clovis, New Mexico.

Kim was raised in New Mexico and Kansas and graduated from Tucumcari High School in 1987.

She was also an honorary member of the Centre High School Class of 1987 in Kansas, where she

completed her first three years of high school. She attended Exposito School of Hair Design in

Amarillo, Texas, where she received her cosmetology license. After working several years as a

cosmetologist, she became an American Airlines flight attendant, a role she held until September

11, 2001. She then returned home, working numerous jobs in the local community, including

Operations at Rick Husband Amarillo International Airport, AMA TechTel, Pathways

Communications, and Unbound Solar. However, her fondest and most rewarding professional

memories came from working with mentally challenged clients at the Texas State Center Group

Kim had a unique way of telling stories that always brought laughter to those around her. She loved cooking, helping others, and animals, passions that reflected her warm and generous spirit.

However, what she enjoyed most was spending time with her friends and especially her family.

I just talked with her a few weeks ago. She told me she was sick, but I didn't think it was that bad. Dakota I'm so sorry to hear this. I will be praying for you and your family.
