“*Heather Mills is like a sister too me. We go back almost 17 years. So Kono is pretty special along with Heather and Joshua’s other beautiful babies. The last time we saw her was in 2021 she was still so little. To hear of her passing has shattered our hearts and the hearts of my children. There are not enough words too describe the hurt that we feel as we see our precious friend through this! Continued prayers to both Heather and Josh, and all her precious siblings. May GOD comfort them during this heartbreaking time. Kono we love you beautiful baby girl and you will forever live in our hearts! This is just a temporary goodbye!! Fly high sweet angel. We love you and till we see you again baby girl..*
