“ In 8th grade Lanny and I became friends. He was such a a great friend and the hours we talked on the phone would write a book. To say we were best friends is an understatement. I have been blessed to continue enjoying his friendship over the last 59 years He loved his family and treasured his friends. I will miss his humor and his ability to stand for what he believed in. I am so saddened to hear he has passed from this life. I pray for you all.

So sorry to read this. I knew he was very sick. Such a good friend as we were growing up and went to Travis and PD. Was also our neighbor. We got back in touch a few years ago . Mostly messaged about living on the North side in the 60's and his health. He told me before he passed that my Mother was the only person who got him a graduation gift. I never knew that. RIP Lanny
