“ Jack and went to school together since the 3rd grade. I've know him my whole life and loved him like a brother. Jack actually talked me into getting in the iron workers back in 1973. We worked many jobs together and I always enjoyed being around him. He will be sorely missed.

“ My dad (Royce Hawthorne). Worked together as ironworks's, they played softball together and we all had get togethers. I remember his kindness. He would stop at the corner of Echo and Central at my mom's land just to say hey and if she needed anything. After my mom passed, he would see me out there and stop in to check on me. Jack you will be missed but heaven will celebrate having you. Rest In Peace my friend till we meet again, tell my loved ones hi 🙌 and I miss them each greatly.
