

## Loren Robert "Rob" Dewald

March 4, 1965 - February 18, 2024

Loren Robert (Rob) Dewald, (58), of Midland, Texas, passed away following a heart attack

on February 18, 2024. He was born to Donna and Robert (Bob) Dewald on March 4, 1965

in Hardin, Montana, where he was raised on the family farm. At age 20, Rob met and then

married Linda (Lee) Dewald a year later in 1986, and together they raised four children.

This world was so blessed by the nearly 59 years that Rob spent earthside, and his family

will miss him more than words can express. He loved the Lord with his whole heart and

showed that love through his selflessness with his family. He was always engaged in his

children's lives, and everything he did was for his family, who always knew how much he

loved them. He was a jack of all trades and a master of several, and the first to offer his

help whenever he saw a need. He was both the most generous man and the hardest worker

anyone knew, but he worked hard so that he could play hard. He loved playing games and

spending time together, making memories at home and on vacation. He loved the beach, but especially when his family was right there with him. Deep sea fishing was his favorite hobby, and he was an expert Catan player.

Rob is survived by his wife, Linda; his children, Kayla (Micah) Friend, Anna (Collin) Harrell, Taylor (Jessa) Dewald, Ryan Dewald (fiance Paige); his grandchildren, Hunter, Isaiah, and Theo Harrell, Leroy Dewald, Blakeleigh Dewald; his mother, Donna Dewald; his sisters, Kathi (Brent) Renier, Anita (Jason) Foster; and many extended family and friends. Rob was preceded in death by his father, Bob Dewald.

Rob's family will host a Celebration of Life service on Sunday, March 24, 2024 in Rapid City, South Dakota. Please email [robdewaldfamily@gmail.com](mailto:robdewaldfamily@gmail.com) to receive further details. In lieu of flowers, please consider making a donation to the American Heart Association in Rob's name.

“ When Rob met Linda, I was in high school and he was like another big brother to me. He was always so helpful and even helped me with getting a summer job in Hardin. Luckily he was always looking out for me because there were a couple of times my arranged ride back to Billings fell through and he was there to take me home. Several times I stayed over at their place in Hardin and they made me feel like I was home. I will surely miss Robs smiles and laughs. I love you Rob and will see you in heaven my brother.

“ Rob and I relished the too few times we played pinichle against Linda and Vonda with plenty of laughs and groans. I will miss him all my days. Dick Lee.
