“ It's kinda odd but I never met Norman..
We got to know each other on FB through a mutual friend.
We'd message each other about all kinds of things!
And the whole time we really didn't know each other.
But from his msgs and posts I could tell he was an awesome guy!
But there towards the end I could tell he wasn't happy and wanted
to make changes in his life. So wish I cudda helped him.
How I miss Norman and our talks back and forth via FB.

“ I grew up with Norman. I use to beat him up on the play ground in elementary school. Years later, we reconnected on FB. As a retired Judge and lawyer, I enjoyed discussing topics with Norman who worked as a paralegal. He was a good man with a good heart who loved his family. Rest in Peace my friend.

“ I worked with Norman in a law firm, and he was a good guy. You could always tell how much he loved his family. He served our country in the army, and we appreciate that very much. Deepest condolences to all in his family.
