“ Aunt Pat always had an ear to hear you out, time to bounce an idea around with you and was the first to like or share your Facebook post. She was a great person friend and Aunt. My favorite memories of her were always spontaneous bumping into her at the store. She could make you feel like the most important person there. 4th of July or any celebration was a good time if Aunt Pat was there. I am truly blessed to have been loved by her. I cherish the way she loved and supported my boys.
