“ Patricia has been my friend for 80 years and during that time she was always the same loving, caring, smiling person that I loved dearly. I'm so happy to know that we will meet again in heaven because she had the love of Jesus in her that was evident when she shared that kind of love with others, including me. See you soon Patricia, your old friend Beezie.

“ Both my husband and I met Pat in Fredericksburg, Texas. We golfed with her and Troy. She was a sweet person, always had a cheerful smile. We missed her and Troy when they no longer went to Fredericksburg.
