“ I have many memories thru the years with Ramona, but the one that I hold dearest is when she and jerry would come thru town she would stop and visit. She really came to encourage us and love on us after we lost our son Brian. She showed her love and Gods love at such a difficult time. I will never forget her gift of love and time she gave us! She will be missed!

I didn't know Ramona until her son married my Daughter Rita. After she came to Ill to be by herself she came to stay with Jeff & Rita. I would go over and set with her while they took a break. As soon as they would leave Ramona would say let's go fix us something to eat and change the TV station. She was always good to me and I will forever miss her. Peggy Hall
