“ As my brother by marriage for 55 yrs. Robert was an interesting guy! He taught himself English by watching TV. His combination of English & German brought us much laughter! He loved history, reading the newspaper & listening to evening TV news & talking politics. He loved his wife & twin sons and worked hard to provide everything in life they needed. No sons ever had a more loving & hands on father than Robert. He loved to swim, grill outdoors & entertaining family, friends & neighbors brought him lots of joy! He remained in close contact with school friends in Germany & traveled back there once for a high school reunion. He was a really good man! He will be missed greatly by family & friends!
