“ Ron Powers will always be Ronnie, Ron Ron to us... We have so many wonderful crazy memories together that We will always cherish! I hate we took for granted that we would always see each other & we allowed time to steal that away. We are so grateful for the many many years of friendship & memories, Ronnie was one of the best kind of friends we ever had. To know him was to love him. Ronnie was always doing for others, for us, for his family, Jeff helped him in many things & that guy not only helped us but taught Jeff so much, he let him work along side him too! We've laughed, cried, supported each other, been thru it all.. We loved Ronnie so much! And he loved back with all his heart.. A good & mighty servant he was! He loved his family more than anything & we pray God will heal their broken hearts! Prayers he fills them with the good memories over the pain soon.. May he be forever in our hearts! Healed, & whole again, no more pain or suffering! Our guardian angel from above! RIP Ronnie Powers

“ I was good friends with Ronnie while we were at Bonham Junior High. He was always kind to me. We would go to the Amarillo Art Center to watch classic movies at the AC theater. A good guy.

*Sincere Condolences to Dale & The Powers Family. Ronnie was a great guy with many talents. I can remember Ronnie driving his Gold Trans Am & painting Corvettes in his garage in his teenage years. I thought he was pretty cool! The neatest memory is seeing Ronnie becoming a dad and the way he loved Mathew when his was a young boy.*

*Rest in Peace my friend.*
