“ *A man with a big hearty laugh. The biggest prankster I will ever know. He took great pride in making sure you knew his presence. Sneaking behind me and smearing my glasses with slobber. He enjoyed hearing me scream Ruben!! I can't remember a day I did not hear "Hey Olive Oil." Fitting at the time and somehow a name I carry with me always. I will forever cherish the last time I saw you. You reached out to hug me. I stepped back waiting for the unexpected. Instead I got a warm loving smile that silently told me "next time." You will be greatly missed! Rest in peace Ruben!*
