

Savana Kay Morris

December 9, 1986 - December 1, 2025

It is with heavy hearts that we announce the passing of our beloved Savana Kay Morris, who left this world far too soon on December 1, 2025. Born on December 9, 1986, in Borger, TX, Savana was a Beautiful Spitfire from the moment she came into our lives.

A proud mother of 4 children, Savana followed her passion for beauty and earned her cosmetology license. She was a true artist when it came to hair and nails, always bringing a little extra sparkle and joy to those around her. Her infectious "Dairy Queen Smile" could light up a room, and her happiness was contagious.

Savana was known for her warm heart, loving everyone deeply and fiercely. While she was a gentle spirit, she could also be a bit ornery when the occasion called for it. She had a way of making people laugh and feel embraced and safe, a rare gift in this world.

She is survived by her father, Larry Morris and wife Easter of Midland; daughter, Aleajane Broom, sons, Javarius Broom, Tavion Broom and Damarcus Broom, all of Borger; brothers, Zach Suttle and wife Carly of Borger and Larry Morris, Jr. of Midland; sisters, Melody Scott of Borger, Stephanie Hurtato of Amarillo and Tori Broom of Borger; stepfather, Marc Broom of Borger; significant other, Chianti Terrell How'ze; nephews, Ryder Strickland,

Kamdyn Strickland and Jaxson Suttle as well as many cousins, aunts and uncles left to cherish her memory.

She was preceded in death by her mother, Quantilla Broom and her grandparents.

I just was chopping it up with her a week prior, waiting for the last bus to come in. She told me about her being in the hospital and how much better she is feeling. I remember when I had a spot built on the grounds of Win-Air. She came by and we ate, drank,.....then I hear she left this God forsaken place. I missing you n until we meet again my friend

“ I still remember when you were little and your Mom and my sister lived behind your grandma. I still think of you as that sweet little girl. God bless you sweetheart. You, your Mom, and Berdie are now in each other's arms watching over the rest of the family.
