

Stephenie Deneen Robinson

August 30, 1988 - June 3, 2025

We are heartbroken to share that our beloved Stephenie Deneen Robinson, who graced this world with her kindness and creativity, passed away on June 3, 2025. Born on August 30, 1988, Stephenie Deneen Kidd, she was a proud lifelong resident of Amarillo, graduating from Caprock High School, and Amarillo College with an associate's degree in applied science.

Stephenie had a zest for life that was impossible to ignore. She loved nothing more than setting out on new adventures and exploring the world around her. Whether she was diving into a good book, getting lost in the world of diamond painting, or expressing her creativity with her trusty paint pens, she always found joy in her passions. She embraced her role as a paralegal and office manager at the Texas Department of Transportation, where she made a difference in the lives of those around her.

A true animal lover, Stephenie cherished her dogs, Reba and Mickey, who brought her endless joy. Two years ago, she met Karl, the love of her life, in England, and their bond was a beautiful testament to the love that she shared so freely.

Stephenie is survived by her fiancé, Karl Lynes; loving parents, Marie Neusch and Leonard Neusch; sister, Markie Kidd and partner, Zech; brother, Derek Kidd and wife Dara and their son, Deklen as well as her stepchildren,

Samantha and Misty; 3 uncles and their wives; many cousins and friends who had the pleasure of knowing her.

She was preceded in death by her grandparents, Mark and Twila Price.

The family will hold memorial services at a later date.

“ Words could never describe how beautiful Steph was, inside and out. The love she showed us all meant the absolute world and more. She was the strongest person and she made us all so proud. I always tell Neo about his Auntie Steph. I'm so grateful to have had the blessing of knowing her and that Karl had met her, someone who loved him so dearly. I'll never forget the time spent with Steph ❤️
