“ We feel fortunate to have known Tommy. He was a person who brought warmth and kindness to everyone around him. His presence had a way of making any moment feel special, and his generosity of heart was something that touched all who knew him. While words can never truly capture the essence of a person, the lessons of love, kindness, and strength he exemplified throughout his life will live on. He will be deeply missed, but his memory will remain in the hearts of those who were lucky enough to have crossed his path.

“ *The first time we met Tommy Castleman, we could see in his eyes that he was kind, loving and extremely respectful. He had a natural ability to put everyone at ease. These strong values are now shown in his three remarkable children; he is the core model for their families. Tommy will be greatly missed and we are forever grateful that Jennifer Anne is included in our lives . May he now rest in peace together with his wife Carolyn and daughter Caryn.*
