“ I will forever miss you we were friends since I was 12 yrs old . We grew up only blocks away from one another. We challenged the world as teenagers and continued into our adulthood. It was you , Donna Jefferson and myself we were The Three Musketeers . We loved life to the fullest . I'm sadden to know you were struggling with an illness that was challenging you in your health and life . It's not goodbye forever we will meet again in heaven. I love you !!

Always ,

“ You were the one and only hug I sought out at Route 66 Motor Speedway... that truly says a lot because I'm not a hugger at all! You loved my grandma and my uncle Ricky like no other! I felt a bond with you in a very short time! You chiseled a path through the thin ice around my heart in no time! The races will never be the same with you gone! I miss you so much!
