

## Travis Randall Reed

August 18, 1998 - January 21, 2026

Travis Randall Reed, age 27, passed away on January 21, 2026. He was born on August 18, 1998.

Travis was preceded in death by his uncle, Lee Reed, and his great-grandparents.

He is survived by his mother, Kate Reed, and her partner, Adam Wahlen; his grandparents, Frank and Karen Reed; his aunt, Amy Reed; and his cousins, Jayman, Samantha, Joshua, and Bella Reed and his great uncle Randy Wright.

Travis attended Chisholm Trail High School and later Texas Wesleyan University in Fort Worth.

Travis was a self-improving leader who took responsibility seriously. He worked hard to build a stable future for himself and for those he cared about. He valued clarity, accountability, and competence—even when growth required discomfort or extra effort.

As a manager at Whataburger, Travis cared deeply about being a leader, not

just a  
manager. He approached his work with intention and pride, always striving to  
become a  
stronger, more capable version of himself, one step at a time. Travis was a  
really funny  
guy, but his humor was very subtle and sometimes you had to just know him  
to get it;  
however, his commitment to personal growth and integrity left a lasting  
impression on  
those who knew and loved him.
