“Granny, as we referred to her at the Ponchos Restaurant in Pleasant Grove, Dallas, Tx, was truly a fun and unique lady. Just a beauty. Very productive and a kick to work with. My sincere condolences to you and your family. I drove through Amarillo in September, and my thoughts were will her.

“I am so sorry to be posting something for Vicki's passing...just doesn't seem possible. Vicki was one of a kind. She definitely walked to the sound of a different drummer...you will never find a more generous person EVER. Vicki was genuine all the time...an extremely hard worker she gave 110%. If you were fortunate to be her friend she was extremely loyal and would give you the shirt off her back. I don't know anyone with a stronger character. Growing up with Vicki was fun. We played cowboys and cowgirls..did some crazy things, explored things we shouldn't have and were fearless. She did love everything cowboy! Vicki was smart and had a generous heart. She loved to bake and barbeque. She would make several course meals for friends all the time. Always bringing someone something special. My heart is so sad...i wish she was still here. I kept thinking she would pull thru, but the Lord has bigger plans for her. My sweet cousin Kathy I am so sorry that you have loss both your sisters in such a short time. You were a rock for both of them. I know they are looking at you now saying "thank you little sister". Love cousin Paula ❤️
