“ I was honored to work with Virginia for 23 years and was blessed by those times. We rose the ranks together, but she was an inspiration to me, and these last few months, she has been a hero to me. I've seen her fight each day and her spirit has been inspiring. Her faith guided her and it will be what helps me remember wonderful thoughts of her now, knowing she is not struggling anymore. She has left a huge hole in our work family and one that will not be easy to fill. I will miss her tremendously! Till we meet again.....
