

## William "Will" Dean King

November 14, 1992 - July 2, 2024

Will was born on November 14, 1992 in Amarillo to J.R. and Brenda King. He spent the majority of his life in Amarillo, where he married Vanessa Reyna on May 4, 2024. He was currently employed at Reed beverage where he had worked 6 to 8 years. He enjoyed listening to music, watching movies, and playing trivia games. He enjoyed family time, taking his family on outings, and enjoyed the outdoors. A little fun fact about Will is he could solve the Rubik's cube. He was known for making friends from everywhere and had a smile that lit up a room. Friends and family would describe him saying he "spoke in song lyrics." He liked to go hiking as often as he was able, swimming, and hanging out at the house. He was a loving husband, father, brother, son, and grandson. He was the most amazing friend that anyone could have.

Will is survived by his wife Vanessa King of Amarillo; son Dean King of San Antonio; bonus children Jenessa, Kareen, Caleb and Lillian; 2 sisters, Jenny Smith and husband Jacob of Rome, Georgia and Kayla Ricks and husband Kevin of Childress; brother, Andrew Johnson and Tiffany of Fort Bliss, TX; mother Brenda Cabello and husband Valentino of Amarillo; father J. R. King and wife, Carol of Arlington; grandmother, Connie Patton of Amarillo and many nieces and nephews and cousins.

He was preceded in death by his paternal grandparents and his maternal grandfather, Bobby Dean Patton.

“ My brother William was a hardworking and dedicated father. He always put his son Dean ahead of anything else. I will miss our talks and I'll always remember how we used to run around the woods in GA together as kids. He was my only brother and I miss him greatly. I always appreciated anytime I didn't know how to do something on my truck I could call him and he'd tell me exactly how to do what I was trying to do. I love you Billy I hope to see you again one day.
